#### 1. Who am I?

I, : **Eike**, living man, in body, mind, and spirit, non-adverse, non-belligerent, non-combatant, secured creditor under UCC-regulations, underwriter for, and sole beneficiary of the artificial person, **EIKE MULLER**, Et al, ens legis, write these conditions with sound mind, and full POWER-OF-ATTORNEY.

No person has the authorization to contact me, the Living Man, in any way possible, only Living Men/Women are equal to me (art.1 GW) There is no respecter of persons with YHVV.....(Rom.2:11-16) en (art.6 GW)

#### 2. What is the 'rechtspersoon'?

Concerning the legal fictions (rechtspersoon en/of natuurlijke persoon) derived from the Living Man is a scam/fraud (art.11 GW). The legal fiction is always a 'rechtspersoon' and in case of a company it's the same. Only in case of a company being the legal fiction, then there is this second fictitious entity the natural person in the role of UBO. In case of the Living Man who I am this has no bearing at all; it's all fiction!

#### 3. The Living Man and the legal fiction cannot be the same

There are two worlds: the world of fiction and the world of facts and truth. The Living Man lives in the world of facts and truth; the legal fiction exists on paper only as a fictitious entity. Therefore I, the Living Man, can never be the strawman and/or the legal fiction.

#### 4. The Living Man in contract with the legal fiction

I, the Living Man, have taken possession and ownership of the legal fiction on my NAME, in above mentioned UPU/GPG-contracts.

This fictitious entity was created **December 26th in 1974** by the 'Rijksoverheid-company' without outspoken consent; no information was given about what this meant nor about the consequences.

#### 5. Terms & conditions for contract

a. The NAME of the legal fiction is under copy right/copy claim meaning that no one can use this name or entity connected to this name without clear written consent by the owner, that is me, the Living Man.

b. Every offence will result in copy right infringement (compensation of the damages suffered), identity fraud (art.231b SR), breach of contract by selling the contract to a third party (contract obligations fulfilled), acting under false capacity (art. 326 SR), commercial trade with the Living Man (slavery, art. 273f SR), swindle, fraud, scam (art. 326 SR) and presumptive fault, defamation and slander (art. 262 SR).

c. Mijn rechtshandelen is geborgd in een wilsbesluit (art. 3.33 BW). Vermeend contract met een overheidsinstelling vallende onder de Rijksoverheid vanuit geboortecertificaat of anderszins is tevens geborgd in het BW (art. 3.44 BW).

The Alien Agent has: **NO CONTRACT NO VENUE NO LIFE STATUS NO COMPETENCE**

## 6. No consent contract

Whatever presumption another party may have to put a lien on the legal fiction on my name, it's allways null & void. This fact is layed out as the withdrawal of consent in all above mentioned UPU/GPG-contracts.

Any presumption anyone might have conveyed in their thinking in relation to the legal fiction on my name nor to myself as the Living Man is null & void. Therefore, no harm, abduction, arrest, imprisonment, lien or debt can be attributed to the legal fiction, natural person or strawman under the presumption of being the Living Man.

## 7. Communication

All communication to me as the Living Man has to be written on paper in correct syntax grammar (HERE & NOW SPACE TIME) according to the specifications of the founder: David-Wynn: Miller. All facts; no presumption allowed!

## 8. Letters addressed to the legal fiction

Any writing to me addressed to the corporation as **EIKE MULLER** or any derivative of this in my 'for notification mailbox outside my house', has no legal foundation and will be regarded as never sent.

**The address for the legal fiction is fictitious (dog-latin/Justinian deception) as well :**

Norenwerk 43  
2405HA Alphen aan den Rijn

**In order to make it factual it needs to be written as follows:**

: ~NORENWERK ~43 ["2405HA"]  
: ~ALPHEN AAN DEN RIJN.

## 9. Letters addressed to me as the Living Man

Communication to me as the Living Man has to be in writing and with my name: **Eike**

**Eike** or **Eike vdf Muller** or : **Eike: [Muller]**.

Being the Beneficiary, Fiduciary, representative, I, the Living Man, am the only man (derived from: men, women included) allowed to deal with all matters concerning the legal fiction on my name. It is to my courtesy to choose to answer letters directed to the legal fiction on my name.

According to art. 6 UVRM I have the right to a legal fiction. It is my competence to do commerce if I choose to use it.

Therefore, the legal fiction can never be the same as the Living Man/Woman.

**Eike** has a temporary 'Pied-à-Terre' at the true location: GPS-coordinates:

Lat.,Long. ~52.140064, ~4.659729 for our true residence is in Heaven: For our citizenship is in heaven-Philippians 3:20-21.

Fictitious location made factual in correct Syntax Grammar c/o:

: ~Norenwerk ~43 ["2405HA"]  
: ~Alphen aan den Rijn.

Of course, the use of this address is forbidden for legal fictions: wrong venue [jurisdiction]! All letters wrongly addressed with wrong names and without cancelled stamp will be regarded as never sent.

## 10. Secured Creditor

The Living Man, **Eike**, is a UCC secured-party under contract number: File Number: **2022-244-1841-2**

I am the Fiduciary - over the legal fiction(s) - with perfect superior equity title under Superior Law [jurisdiction]! Genesis 1: 26-28
